CARE, MAINTENANCE & WARRANTY INFORMATION

Our range of sliding doors are designed for continual outdoor use. The sliding door frame ensures that you can leave it outside all year round.

SLIDING DOOR CARE

The sliding door framework is incredibly low maintenance and is resistant to UV rays, salt water, frost and snow and requires only basic care to keep it clean.

To clean, simply use a soft cloth that is damp with warm soapy water and wipe down. This material can be left outside all year round.

WARRANTY INFORMATION

We regret to inform you that warranty claims cannot be accepted without proof of purchase. Warranties are valid from the date of delivery to the original purchaser only. For us to help you, please ensure all warranty terms have been adhered to.

These terms can be found at <https://warranty.novaoutdoorliving.co.uk/>

The warranty applies to residential domestic use within the UK only. It does not cover commercial use, misuse, accidental damage or normal wear and tear. We reserve the right to repair and/or replace parts rather than a complete item at our discretion.
