100L SAND & WATER FILLABLE CANTILEVER PARASOL BASE WITH WHEELS

SKU: NOV-11-002
2020 V1.0

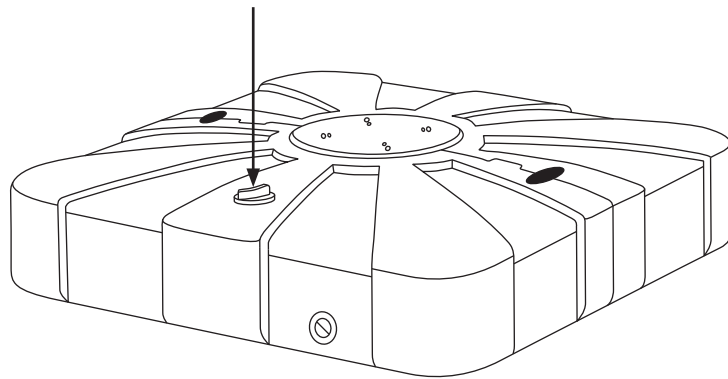

IMPORTANT NOTICE

THIS BOOKLET CONTAINS USEFUL INFORMATION
ABOUT WARRANTY & CARE INSTRUCTIONS.
PLEASE KEEP FOR FUTURE REFERENCE.

ASSEMBLY

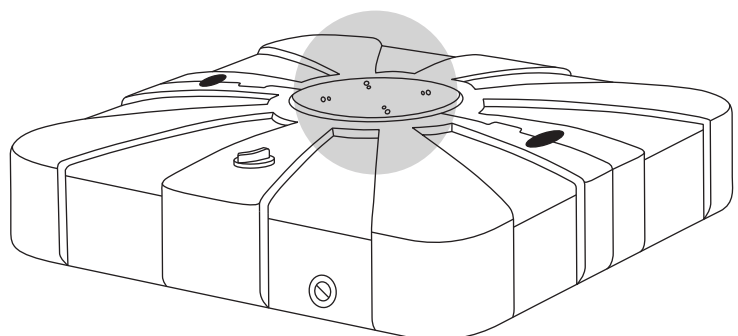

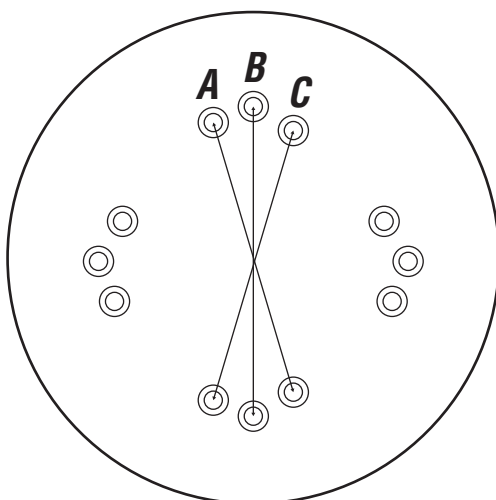

STEP 1

Stand up and firstly fill with sand and then water. No water should be able to pour out of the parasol base. If water pours out, fill with more sand.

STEP 2

To attach your parasol, either use holes A, B or C as shown below. Use position A if your parasol pole hole distance is 140mm. Use position B if your parasol pole hole distance is 160mm. Use position C if your parasol pole hole distance is 135mm.

CARE, MAINTENANCE & WARRANTY INFORMATION

Our range of parasol bases are designed for continual outdoor use. The parasol base is made from HDPE resin ensuring that you can leave it outside all year round.

HDPE RESIN CARE

The HDPE resin base is incredibly low maintenance and fully weatherproof and requires only basic care to keep it clean.

Never use water fill if your climate goes below freezing as this can damage the housing. Do not stand or jump on the base. In high winds we recommend taking parasol down to protect your parasol and avoid tipping over.

To clean, simply use a soft cloth that is damp with warm soapy water and wipe down. This material can be left outside all year round.

1 YEAR LIMITED WARRANTY ON PARASOL BASES

Parasol base products from Nova are covered by a 1 year limited warranty. This warranty protects you from manufacturing faults / defects. This warranty applies to residential domestic use within the UK only. It does not cover commercial use, mis-use, accidental damage or normal wear and tear.

To validate your warranty, register at warranty.novaoutdoorliving.co.uk quoting the product code on this booklet.
